

Marco Polo Learning

in preschool classrooms

SELECTING VIDEOS FOR STUDENTS

- Follow your curriculum.
- Choose videos that enhance learning within your theme.

COMMUNICATION & SUPPORT

- Your ELCIRMO team can suggest and send videos for you to use with students.
- Send video links to parents and showcase Marco Polo at parent events to support student learning at home

BEST PRACTICES FOR USING VIDEOS

- Use a tablet, computer or smartboard to show videos.
- Show 1-2 videos in centers, small groups or during whole class instruction per day
- Use the "Educator Guide" to support oral language, vocabulary and higher order thinking skills.
- Students should use the app with adult guidance in classrooms.

BE CAREFUL TO:

- Use only with 3 - 5 year olds.
- Consider what's developmentally appropriate for your age group. (some videos are for older students)
- Always supervise students using the app.
- Avoid using the printable practice sheets. These are not appropriate for preschool students.
